ABD Federal Credit Union was chartered in 1947 to operate as a credit union for Briggs Manufacturing employees. The first office was on Mack Avenue in Detroit. The ABD acronym came from the credit union representing the Auto Beauty Division of Briggs Manufacturing. Eventually Briggs was bought out by Chrysler

Corporation and came to represent Chrysler employees. The first Chrysler owned facility represented by ABD was Mack Stamping. The first person to become a member of ABD Credit Union was Ken Morris, formerly of Region 1B.

In 1967 the office on Mound Road was constructed and became the main office. Currently ABD has 3 offices; Warren, Detroit and Belvidere Illinois. Over the years ABD has absorbed several credit unions including McGraw Glass, Indianapolis Foundry, Belvidere, Mt Elliott and CJ Federal.

ABD has weathered many storms over the years associated with the ups and downs of Chrysler. Despite those travails, the credit union has endured and today is a highly successful provider of financial services to FCA employees. We offer loans of all types, credit cards, debit cards and mortgage loans. We also offer many types of investments for members that are federally insured up to \$250,000.

ABD Federal Credit Union currently services the following FCA Plants:

- Belvidere (Illinois)
- Jefferson North Assembly (JNAP)
- Mack Engine
- Sterling Heights Assembly (SHAP)
- Marysville
- Sterling Stamping
- Transportation
- WCM Academy (Training Center 9 Mile)
