## NATIONAL CREDIT UNION YOUTH MONTH IS HERE!

ABD Wants to Help Your Kids Find Money Magic!

Promoting the financial health of our youngest members is highly important to us. Providing financial education embodies the movement's 'people-helping-people' philosophy. The theme for this year's Youth Month is "Money Magic. Share, Spend and Save at Your Credit Union".

Together, we're encouraging our youngest members to learn common financial concepts kids should understand: Saving, Spending, Charitable giving, Investing and Budgeting.

As more Americans seek financial guidance, it's essential to consider initiatives that also educate young members. ABD Federal Credit Union can serve as an important ally for parents in their mission to teach their kids to be financially responsible. That's why during the month of April, we will be providing educational support on our website to empower youth to save for their future and to help them develop healthy money habits. Just visit [www.abdfcu.com](http://www.abdfcu.com) and click on the "Money Magic" link to find useful information and other helpful links.

National Credit Union Youth Month is a great opportunity to start or boost your youth initiatives! Get involved by using the Twitter hashtag #CUYouthMonth to let everyone know how your credit union is making a difference in young members' lives. For more information visit [www.abdfcu.com](http://www.abdfcu.com).
